We were unable to share Feedback yesterday as we had to plan for dinner in the evening. However, we checked with the team over dinner about the experience and they all enjoyed it.

Over all, it was very unique and engaging experience.

Thank you & your team and we look forward to working with you for many more events.

A fantastic evening with an amazing cast. The whole night was filled with twist and turns, with incredible attention to detail and overall a night never to forget. Thank you Peter and the rest of the crew!!!

How long is the experience?

Our events typically run for around two hours, although with the nature of the speed dating event, we can tailor activities to suit the overall purpose of the event.

Do we have to take part?

That's completely up to you! Our actors run the show, but there's opportunities throughout to be called up to be involved! All your guests will get to interact with the cast and feel immersed in the experience.

Do we have to dress up?

Again, that's completely up to you! Often, our clients ask their guests to come dressed to the theme, but it's completely fine to keep it as a casual evening. The main thing is that you feel comfortable and have fun!

Can my guests eat / drink / talk during the murder mystery?

Yes, absolutely! The experience is designed to fit in and around your party or dinner. It's a very relaxed, social affair... with some very exciting moments!

Is it culturally appropriate?

Yes! We've performed to every type of audience you can imagine. When you book with us, we'll get an idea of your audience and will adjust the experience accordingly. We will ensure the event is culturally sensitive for your guests.

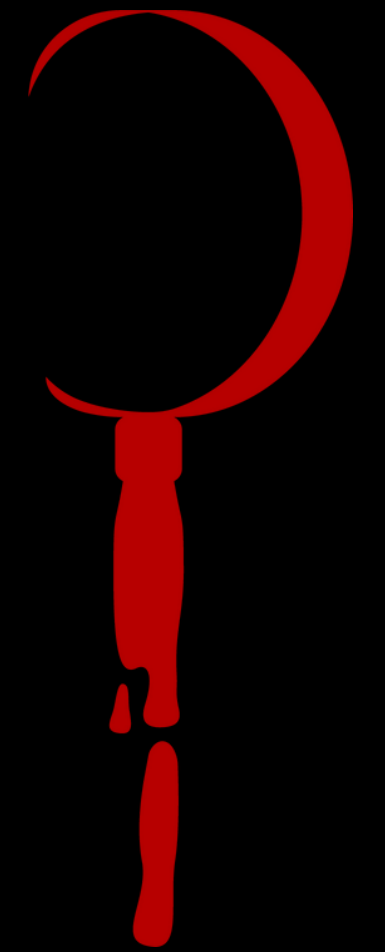

What is the booking process?

Simply get in touch with us to check the availability of the date. A deposit is required to secure the booking.
